Curbing emission of smoke from Government vehicles

83. SHRI SANTOSH BAGRODIA: Will the PRIME MINISER be pleased to state what steps have been taken by Government recently to curb emission of deadly smoke from Government vehicles, especially the buses including those of the Delhi Transport Corporation?

THE MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT AND FORESTS WITH ADDITIONAL CHARGE OF THE MINISTER OF STATE IN THE MINISTRY OF PROGRAMME IMPLEMENTATION (SHRIMATI MANEKA GANDHI): The emission standards for all petrol and diesel driven vehicles notified in the Rules on 2.6.1989 under the Motor (Vehicles) Amendment Act, 1988 have come into force with effect from 1.3.1990. The Delhi Transport Corporation (DTC) has set up a comprehensive action plan to reduce pollution and control smoke emission from its buses. This action plan consists of:—

(i) Reducing smoke emission rate by tuning vehicle engines.

(ii) Acquiring buses for replacement of over-aged buses from the active fleet.

(iii) Reducing overloading.

(iv) Introducing buses with fuel conservative engines.

(v) Equipping the Units with Smoke Meters for monitoring smoke level of the fleet held at the Units.

Delhi Administration has launched a publicity campaign and initiated action on Government vehicles and buses of the DTC to ensure that they meet the standards notified.
